INDEPENDENT ACCOUNTANTS' REVIEW REPORT

Mr. Bradley E. Dauzat
Administrator
Twelfth Judicial District Indigent Defender Fund
Marksville, Louisiana

We have reviewed the accompanying financial statements of the governmental activities of the Twelfth Judicial District Indigent Defender Fund, a component unit of the Avoyelles Parish Police Jury, as of and for the year ended June 30, 2011. A review includes primarily applying analytical procedures to the management's financial data and making inquiries of the management of the Twelfth Judicial District Indigent Defender Fund. A review is substantially less in scope than an audit, the objective of which is the expression of an opinion regarding the financial statements as a whole. Accordingly, we do express such an opinion.

The management of the Twelfth Judicial District Indigent Defender Fund is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America and for designing, implementing, and maintaining internal control relevant to the preparation and fair presentation of the financial statements.

Our responsibility is to conduct the review in accordance with Statements on Standards for Accounting and Review Services issued by the American Institute of Certified Public Accountants. Those standards require us to perform procedures to obtain limited assurance that there are no material modifications that should be made to the financial statements. We believe that the results of our procedures provide a reasonable basis for our report.

Based on our review, we are not aware of any material modifications that should be made to the accompanying financial statements in order for them to be in conformity with accounting principles generally accepted in the United States of America.

Management's discussion and analysis, supplementary information required by the Governmental Accounting Standards Board, is not a required part of the basic financial statements. The Twelfth Judicial District Indigent Defender Fund has not presented this information as part of the financial report for the year ended June 30, 2011.

In accordance with the *Louisiana Governmental Audit Guide* and the provisions of state law, we have issued a report, dated December 20, 2011, on the results of our agreed-upon procedures.

**NOTES TO THE FINANCIAL STATEMENTS
June 30, 2011**

INTRODUCTION

The Twelfth Judicial District Indigent Defender Fund was established in compliance with Louisiana Revised Statutes 15:144-149, to provide and compensate counsel appointed to represent indigents in criminal and quasi-criminal cases on the district court level. The judicial district encompasses the parish of Avoyelles, Louisiana.

During the 2007 Regular Session of the Louisiana State Legislature, Act No. 37 was adopted, thereby creating and establishing as a state agency within the office of the governor, the Louisiana Public Defender Board to provide for the supervision, administration and delivery of a statewide public defender system, which must deliver uniform public defender services in all courts in the state. The Board is composed of fifteen members who are appointed by the governor, chief justice of the Supreme Court of Louisiana, the president of the Senate, the speaker of the House of Representatives, the president of the Louisiana State Bar Association, the Louisiana Chapter of the Louis A. Marinet Society, the chairman of the Louisiana State Law Institute's Children Code Committee and the Louisiana Interchurch Conference. The Board is funded by deductions from fines and forfeitures to administer the indigent defender system of the district courts. Expenditures are governed by Act 307 of 2007 and the actions of the Board. The creation of this statewide agency required all Indigent Defender Funds to report on a June 30th year end.

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A. BASIS OF PRESENTATION

The accompanying financial statements of the Twelfth Judicial District Indigent Defender Fund have been prepared in conformity with governmental accounting principles generally accepted in the United States of America. The Governmental Accounting Standards Board (GASB) is the accepted standard-setting body for establishing governmental accounting and financial reporting principles. The accompanying financial statements have been prepared in conformity with GASB Statement 34, *Basic Financial Statements and Management's Discussion and Analysis for State and Local Governments*, issued in June 1999.

**NOTES TO THE FINANCIAL STATEMENTS (continued)

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

B. REPORTING ENTITY

The indigent defender fund is part of the operations of the district court system. However, the district court system is fiscally dependent on the Avoyelles Parish Police Jury for office space and courtrooms. In addition, the police jury's general purpose financial statements would be incomplete or misleading without inclusion of the indigent defender board. For these reasons, the indigent defender fund was determined to be a component unit of the Avoyelles Parish Police Jury, the financial reporting entity.

The accompanying financial statements present information only on the funds maintained by the 12th Judicial District Indigent Defender Fund and do not present information on the police jury, the general government services provided by that governmental unit, or the other governmental units that comprise the financial reporting entity.

C. FUND ACCOUNTING

The Indigent Defender Fund uses funds to maintain its financial records during the year. Fund accounting is designed to demonstrate legal compliance and to aid management by segregating transactions related to certain board functions and activities. A fund is defined as a separate fiscal and accounting entity with a self-balancing set of accounts.

Governmental Funds - Governmental funds account for all or most of the Indigent Defender Board's general activities. These funds focus on the sources, uses, and balances of current financial resources. Expendable assets are assigned to the various governmental funds according to the purposes for which they may be used. Current liabilities are assigned to the fund from which they will be paid. The difference between a governmental fund's assets and liabilities is reported as fund balance. In general, fund balance represents the accumulated expendable resources which may be used to finance future period programs or operations of the board. The following are the board's governmental funds:

General Fund - the primary operating fund of the Indigent Defender Board and it accounts for all financial resources, except those required to be accounted for in other funds. The General Fund is available for any purpose provided it is expended or transferred in accordance with state and federal laws and according to board policy.

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

D. MEASUREMENT FOCUS/BASIS OF ACCOUNTING

Fund Financial Statements (FFS)

The amounts reflected in the General Fund, of Statements A and B, are accounted for using a current financial resources measurement focus. With this measurement focus, only current assets and current liabilities are generally included on the balance sheet. The statement of revenues, expenditures, and changes in fund balances reports on the sources (i.e., revenues and other financing sources) and uses (i.e., expenditures and other financing uses) of current financial resources. This approach is then reconciled, through adjustment, to a government-wide view of Indigent Defender Fund operations.

The amounts reflected in the General Fund, of Statements A and B, use the modified accrual basis of accounting. Under the modified accrual basis of accounting, revenues are recognized when susceptible to accrual (i.e., when they become both measurable and available). Measurable means the amount of the transaction can be determined and available means collectible within the current period or soon enough thereafter to pay liabilities of the current period. The Indigent Defender Fund considers all revenues available if they are collected within 60 days after the fiscal year end. Expenditures are recorded when the related fund liability is incurred, except for interest and principal payments on general long-term debt which is recognized when due, and certain compensated absences and claims and judgments which are recognized when the obligations are expected to be liquidated with expendable available financial resources. The governmental funds use the following practices in recording revenues and expenditures:

Revenues

Revenues are recognized when they become measurable and available are net current assets.

Expenditures

Expenditures are recognized under the modified accrual basis of accounting when the related fund liability is incurred.

Deferred Revenues

Deferred revenues arise when resources are received by the board before it has a legal claim to them, as when grant monies are received before the incurrence of qualifying expenditures. In subsequent periods, when the Indigent Defender Fund has a legal claim to the resources, the liability for deferred revenue is removed from the combined balance sheet and the revenue is recognized.

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

D. MEASUREMENT FOCUS/BASIS OF ACCOUNTING (continued)

Government-Wide Financial Statements (GWFS)

The Statement of Net Assets and the Statement of Activities display information about the fund as a whole. These statements include all the financial activities of the Indigent Defender Fund. Information contained in these statements reflects the economic resources measurement focus and the accrual basis of accounting. Revenues, expenses, gains, losses, assets and liabilities resulting from exchange or exchange-like transactions are recognized when the exchange occurs (regardless of when cash is received or disbursed). Revenues, expenses, gains, losses, assets and liabilities resulting from nonexchange transactions are recognized in accordance with the requirements of GASB Statement No. 33, *Accounting and Financial Reporting for Nonexchange Transactions*.

Program Revenues - Program revenues included in the column labeled Statement of Activities are derived directly from board users as a fee for services; program revenues reduce the cost of the function to be financed from the board's general revenues.

E. BUDGETS

The Indigent Defender Fund uses the following budget practices:

1. The budget is prepared by the administrator and submitted to the state
2. The budget is used as a management tool for revenue and expense control
3. All budgetary appropriations lapse at year-end

F. CASH AND CASH EQUIVALENTS

Cash includes amounts in demand deposits, interest bearing demand deposits and time deposits. Under state law, the Indigent Defender Fund may deposit funds in demand deposits, interest-bearing deposits, or time deposits with state banks organized under Louisiana law or any other state of the United States, or under the laws of the United States.

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

G. COMPENSATED ABSENCES

The Indigent Defender Fund does not have a formal policy for vacation and sick leave.

H. CAPITAL ASSETS

Capital assets are capitalized at historical cost or estimated cost, if historical cost is not available. Donated assets are recorded as capital assets at their estimated fair market value at the date of donation.

Capital assets are recorded in the Statement of Net Assets and Statement of Activities. All capital assets, other than land, are depreciated using the straight-line method over the following useful lives:

Machinery and equipment	5 – 7 years
Furniture and fixtures	5 – 7 years

I. ESTIMATES

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America require management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues, expenditures, and expenses during the reporting period. Actual results could differ from those estimates.

NOTE 2 – CASH AND CASH EQUIVALENTS

At year end, June 30, 2011, the cash consisted of deposits with banks, with a book value of \$49,496.

These deposits are stated at cost, which approximates market. Under state law, these deposits (or the resulting bank balance) must be secured by federal deposit insurance or the pledge of securities owned by the fiscal agent bank. The market value of the pledged securities plus the federal deposit insurance must at all times equal the amount on deposit with the fiscal agent. These securities are held in the name of the pledging fiscal agent bank in a holding or custodial bank that is mutually acceptable to both parties. At June 30, 2011 the district had \$64,194 respectively, in deposits (collected bank balances). Of the total bank balance, \$64,194 was covered by Federal Depository Insurance.

Even though the pledged securities are considered uncollateralized (category 3) under the provisions of GASB Statement 3, Louisiana Revised Statute 39:1229 imposes a statutory requirement on the custodial bank to advertise and sell the pledged securities within 10 days of being notified by the Indigent Defender Fund that the depository bank has failed to pay deposited funds upon demand.

NOTE 4 - PENSION PLAN

Plan Description. The Twelfth Judicial District Indigent Defender Fund contributes to the Parochial Employees' Retirement System of Louisiana, a cost-sharing, multiple-employer defined benefit pension plan administered by a separate Fund of trustees. The System is composed of two distinct plans, Plan A and Plan B, with separate assets and benefit provisions. Employees of the Fund are members of Plan A.

All permanent employees working at least twenty-eight hours per week who are paid wholly or in part from parish funds and all elected parish officials are eligible to participate in the System. Under Plan A, employees who retire at or after age 60 with at least 10 years of creditable service, at or after age 55 with at least 25 years of creditable service, or at any age with at least 30 years of creditable service are entitled to a retirement benefit, payable monthly for life, equal to 3 percent of their final-average salary for each year of creditable service. However, for those employees who were members of the supplemental plan only before January 1, 1980, the benefit is equal to one percent of final-average salary plus \$24 for each year of supplemental-plan-only service earned before January 1, 1980. Final-average salary is the employee's average salary over the 36 consecutive or joined months that produce the highest average. Employees who terminate with at least the amount of creditable service stated above and do not withdraw their employee contributions may retire at the ages specified above and receive the benefit accrued to their date of termination. The System also provides death and disability benefits. Benefits are established or amended by state statute.

The System issues an annual publicly available financial report that includes financial statements and required supplementary information for the System. That report may be obtained by writing to the Parochial Employees' Retirement System, Post Office Box 14619, Baton Rouge, Louisiana 70898-4619, or by calling (225)928-1361.

NOTE 4 - PENSION PLAN (continued)

Funding Policy. Under Plan A, members are required by state statute to contribute 9.50% of their annual covered salary and the Fund is required to contribute at an actuarially determined rate. The current rate is 15.75% of annual covered payroll. Contributions to the System also include one-fourth of one percent (except Orleans and East Baton Rouge Parishes) of the taxes shown to be collectible by the tax rolls of each parish. These tax dollars are divided between Plan A and Plan B based proportionately on the salaries of the active members of each plan. The contribution requirements of plan members and the Fund are established and may be amended by state statute. As provided by Louisiana Revised Statute 11:103, the employer contributions are determined by actuarial valuation and are subject to change each year based on the results of the valuation for the prior fiscal year. The Fund's contributions to the System under Plan A for the twelve months ended June 30, 2011, the eighteen months ended June 30, 2010, and the twelve months ended June 30, 2009 were \$22,995.03, \$30,388, and \$18,429, respectively, equal to the required contributions for the year.

NOTE 5 - GENERAL FIXED ASSETS
